
Naxia Download] [PC]

Naxia, Infinite8's new Hack n Slash ARPG officially went into initial access on November 22nd for \$19.99. You. You cannot undo it. Yes, it's another one of those things where your head completely turns towards you when you see people play it, but you still can't do it. To that end, I decided to try Naxia and try something different. Here is a summary of what you will find. First, it looks like a game that you plug in and play. The game doesn't do anything out of the ordinary (besides having a lot of content) and it doesn't work the same as
