The original game of action RPG genre returned with an epic update that took inspiration from the beloved FF titles like Chrono Trigger and Xenogears. • The original game of the genre has returned The new Fantasy Action RPG game has everything that you want in an RPG. While creating new weapons and materials, manipulate the appearance of your character and its items, and develop a battle strategy with your partners, face dangerous enemies such as Armored Familiars and acquire the support of your allies like Red Knights and Imps. - Large amount of items for equipment and crafting The game includes a variety of items, including weapons, armor, shields, armors, and more. You can increase the level of your equipment and develop your characters using various combinations. - The brand-new equipment and effects Using the experimental equipment you can develop as a lone hero, and even more using with partners, develop powerful partners. - Intricate battle system Battle is a crucial part of the RPG genre, and the fight is exciting from the start. The battle system is rich and refreshing, and the strategic use of supporting characters such as Red

Knights is also an important part of the game. - The characteristics of the game This game brings back the pure essence of the action RPG genre as well as the atmosphere of the classic games. Plus, it is the first game that compiles the user-input quests from the Fan Pages of the official website. ■ GAME OVERVIEW Earth Defense Force 5 (EDF5) is the fifth installment in the "Earth Defense Force" series. • A fascinating tale of survival will be waiting for you in this action RPG filled with excitement and scale! Before the countdown to EDF5, a fierce monster named Swarm appeared in the Lands Between. It wiped out everything, and even the Land of Light, the land from where EDF5 was born, was heavily damaged. The world is on the verge of collapse. Numerous young soldiers were ordered into action by the Elden Lord, and it was your duty to battle in defense of the world. You will have to drive out Swarm before its destruction of the world. To conquer the monster swarm and save the world, you have to return to the past and make a new day without anyone knowing. ■ FEATURES 1. A user-input quest in an action RPG packed with excitement! The world from where EDF5 was born, the Land of
